New volume released: 10 more Pocono hikes

Brodhead Watershed Association has released the second volume of its “Get Outdoors Poconos” booklets. The new volume includes maps, directions, photos and more of 10 places to hike in the Poconos.

The first edition, released in 2017, proved popular and is in its fourth printing.

Hikes are rated easy, moderate or difficult so that users can find their best hike to enjoy the Brodhead watershed’s natural wonders.

The booklet is available for pickup at the BWA office, in the lower level of 425 Carlton Road, Mount Pocono, Pa. For information, call 570-839-1120 or 570-629-2727; or email info@brodheadwatershed.org.

A website, brodheadwatershed.org/gopoconos, has an archive of hikes with the maps and trail information as well as videos and more photos. Upcoming hikes in the ongoing series are posted there.

The series is administered by Brodhead Watershed Association and supported by a grant from the William Penn Foundation.

Brodhead Watershed Association is a nonprofit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed, and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries. BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring.
