At last night's city council meeting Don Baylor (right), BWA President presented Township Official, Dave Fenner (left) with a plaque commemorating the city's affiliation with the BWA.

By becoming members of the BWA, The City will be supporting the efforts of the BWA to help maintain the quality of our waterways. Don Baylor, President of the BWA commented, "The BWA is pleased with the support from Hamilton Township by becoming a formal partner in our watchdog effort. It is wonderful that the township recognizes the importance of the association's mission."

The Brodhead Watershed Association is a non-profit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries. In addition, the BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring.
