

NEWS RELEASE

From the Brodhead Watershed Association

FOR IMMEDIATE RELEASE

Monday, February 29, 2016

(Please do not print after March 18, 2016)

WOULD YOU LIKE TO BE A STREAMWATCHER?

For 25 years, Streamwatch volunteers of Brodhead Watershed Association have been checking local streams on a monthly basis. Volunteers are always welcome to join the efforts to ensure water quality remains good to excellent in our local streams.

Streamwatch training sessions will be held 7 to 9 p.m. Thursday, March 17, and 10 a.m. to noon Saturday, March 19, at St. Paul's United Church of Christ, 406 Upper Swiftwater Road, Swiftwater. You need attend only one session.

There you will meet team volunteers from your local watershed, learn what the program is all about, and get hands-on training with the equipment. At that time, you can decide if Streamwatch is right for you.

BWA offers other opportunities for volunteers, too. Check out www.brodheadwatershed.org.

To register for either training session or if you have questions, contact the BWA office at 570-839-1120 or email info@brodheadwatershed.org.

Brodhead Watershed Association is a nonprofit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed, and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries. BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring. For information: info@brodheadwatershed.org or 570-839-1120.
