## **BWA's native plant sale blooms online now**

Brodhead Watershed Association is hosting an online Native Plant Sale, with ordering now through May 21, 2021, and curbside pickup of the plants on Saturday, June 5, in Tannersville. The sale will be for pre-paid preorders made online only.

Approximately 65 types of perennial plants will be available, with categories for sun- and shade-loving plants, as well as deer-resistant ones. All of them are native to this area, so they will be beneficial to the local ecosystem and require less care.
