Description: BWA team members prepare plants for pickup (BWA photo)

## **BWA's Native Plant Sale blooms online now**

Brodhead Watershed Association invites you to support local pollinators and clean water by planting native this spring! The organization's annual online Native Plant Sale is now open. Order online through May 14, 2022 and pick up on Saturday, May 28.

More than 60 types of perennial plants and shrubs are available, including sun- and shade-loving plants, deer-resistant varieties, and butterfly magnets like milkweed. All featured plants are adapted to our area and beneficial to the local ecosystem.

Native plants need less fertilizer, use fewer pesticides, and help insects pollinate. And because they don't need as much water, these non-invasive plants help protect streams and wells, too.

Proceeds from the Native Plant Sale support Brodhead Watershed Association's commitment to clean and abundant water. Order at <https://shop.brodheadwatershed.org/shop/>

### **NATIVE PLANT SALE**

Orders will be distributed during curbside pickup from 9 a.m. to 1 p.m. Saturday, May 28, 2022 at Pocono Township Fire Hall's "carnival building" on Route 611, Tannersville, PA. Bring your receipt and ID to verify your purchase.

BWA members receive 10% off their entire purchase. Shoppers can buy a BWA membership online along with their plants. For membership information, visit <https://brodheadwatershed.org/become-a-member/>

Plant sale purchases are non-refundable. If plants do not meet quality standards, customers will be provided a full refund and notified prior to pickup.

Brodhead Watershed Association is a nonprofit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed, and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries. BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring. For information: [info@brodheadwatershed.org](mailto:info@brodheadwatershed.org) or 570-839-1120.
