## Learn to fly-fish on the Brodhead

Fly-fishing experts from three Pocono organizations will share their knowledge with beginners during a hands-on workshop on Sunday, June 26. The session will run 1 to 4 p.m. at ForEvergreen Nature Preserve, Analomink.

Brodhead Watershed Association, Pocono Heritage Land Trust and the Brodhead chapter of Trout Unlimited are dedicated to enjoying and protecting Brodhead Creek – historically a world-class trout fishery – and wish to welcome newcomers to the sport.

Participants will receive an easy, entertaining introduction into equipment selection, casting techniques, trout stream entomology and basic fly-tying.

Suggested donation is \$10 for BWA, PHLT or TU members, \$15 for nonmembers. Children under 12 attend free.

Reserve your spot by calling 570-424-1514 or emailing [info@phlt.org](mailto:info@phlt.org).

ForEvergreen Nature Preserve is on Cherry Lane, just off Route 191, Analomink.

Brodhead Watershed Association is a nonprofit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed, and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries. BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring.
