BWA plans summer events

Brodhead Watershed Association is planning events for the rest of 2021. The popular Get Outdoors Poconos series of events, supported by a grant from the William Penn Foundation, kicks off the summer.

All of these events will require pre-registration. Look for information as the date approaches at brodheadwatershed.org.

June 26: Get Outdoors Poconos outing to Cranberry Creek – “little canyon falls” – on the upper Brodhead Creek in Paradise Township.

July: A Japanese knotweed removal workshop will be held on a July date to be determined, in Mountainhome, Pa. This is part of BWA’s Greening Mountainhome initiative.

July: BWA will host a rain barrel workshop at Brodhead Creek Heritage Center, Analomink, on a date to be determined.

July 17: Join Stroud Township Supervisor Ed Cramer on a Get Outdoors Poconos event at Josie Porter Farm in Cherry Valley.

Aug. 11: BWA will assist in the annual Delaware Sojourn (Aug. 6-13) when it reaches our area. On this day, paddlers launch from Minisink Park and paddle through the mouth of the Brodhead as it enters the Delaware River. See delawareriversojourn.com for information.

Aug. 29: BWA hosts its annual Ramble at Skytop, featuring a Get Outdoors Poconos outing to Leavitt Falls.

September: BWA will host another rain barrel workshop at Brodhead Creek Heritage Center, Analomink, on a date to be determined.

Sept. 24: BWA’s annual Members & Friends Celebration at Shawnee Inn, Shawnee-on-Delaware, Pa.

Sept. 25: Get Outdoors Poconos event at Bowers Creek Preserve, Pohoqualine Fishing Club.

Oct. 16: Get Outdoors Poconos outing on Thomas Darling Preserve.

Nov. 20: Get Outdoors Poconos outing on Pocono Heritage Land Trust’s latest acquisition, Rail Gap Pocono Creek Nature Preserve.

Dec. 18: Explore Mount Wismer in Barrett Township on the final Get Outdoors Poconos event of 2021.

Brodhead Watershed Association is a nonprofit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed, and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries. BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring.
