

NEWS RELEASE

From the Brodhead Watershed Association

FOR IMMEDIATE RELEASE

Friday, June 1, 12

Dr. Patricia McCabe, owner of Canadensis Veterinary Clinic (CVC) has become a new Adopt-A-Stream Sponsor. Dr. McCabe established her clinic twenty-three years ago, choosing to move from Easton to Canadensis after falling in love with the stone bridges around the Buck Hills Falls area. The clinic property rests against Goose Pond Run, part of the Brodhead subwatershed, a great place to raise four children in tune with the watershed and its wildlife. The CVC is a small animal practice, with interest in exotics. It has grown to include three part-time veterinarians and twelve professional staff.

Thank you, Dr. McCabe and everyone at the Canadensis Veterinary Clinic!

The Brodhead Watershed Association is a non-profit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed and the water creeks and their tributaries. In addition, the BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring.
