

**HAVE ONE FOR THE WATERSHED –
FUNDRAISING EVENT AT BARLEY CREEK BREW COMPANY**

On Sunday, Sept. 23, BWA will present Trip Ruvane, owner of Barley Creek Brew Company, with a sign commemorating the designation of the 900 foot vertical waterway otherwise known as Barley Creek, and the well that supplies the brew pub with pure, delicious water for its restaurant and brewing equipment, as an "Exceptional Value Waterway within the Brodhead Watershed. BWA first made this designation on April 1, with an April Fool's Day celebration.

Come and help us celebrate this unique partnership with fun and friends, and especially Brodhead Ale, from 4 p.m. until the keg runs dry, Sept. 23.
