

NEWS RELEASE

From the Brodhead Watershed Association

FOR IMMEDIATE RELEASE

Saturday, February 08, 2020

(Please do not print after August 2, 2014)

**Brodhead Watershed Association and
Pocono Heritage Land Trust Host:
Where in the Watershed Walk #7 - The Cranberry Creek
Preserves on Saturday, August 2nd from 1-4pm**

Join BWA/PHLT members/friends and naturalist Don Miller, aquatic resource expert, Don Baylor and PHLT Exec. Director, Dawn Gorham for this exploration of the newly acquired and preserved open space lands in the Cranberry Creek watershed of Paradise and Barrett Townships.

This moderate difficulty hike will be on and off trail on both level and sloped terrain. This hike may also involve some wet foot shallow stream crossings, so be prepared with appropriate summer wet foot wear. Participants will see and learn some of the history of this over 1200 acre assemblage undisturbed woodland and streamside natural area in the Henry Crossing area of Paradise Township and explore this unique wild trout small stream ecosystem recently nominated for a PA state Exceptional Value stream designation.

Participants should meet in the parking area of the Paradise Price Preserve just across the railroad tracks on Henry's Crossing Road in Paradise Township (for directions call PHLT). * Hike donation is \$5.00 per person (\$3.00 per BWA/PHLT member) to be collected at the start of the hike. Pre-registration is requested. To register, please call the Pocono Heritage Land Trust (PHLT) office Monday to Friday at 570-424-1514.

***The BWA, 25 years of protecting our environment
and watershed resources***

The Brodhead Watershed Association is a non-profit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries. The BWA assists municipalities, residents, businesses and groups with protecting natural resources through education, workshops, seminars, public programs and stream monitoring.
