PLANT THIS, NOT THAT HIKE
Saturday, April 26 1-4PM

Take a walk with experts to see invasive plants and native substitutes up close.

Join BWA/PHLT members/friends and naturalists Robin Petras and Linda Ross Besecker on Saturday, April 26 at 1 pm for a stroll through Ross and Ross Nursery. This prelude hike to Brodhead Watershed Association's May Native Plant Sale will explore "the good, the bad and the ugly" of a changing plant landscape and provide plant identification information for invasive plants and landscape tips for "growing native". This easy hike on mostly level terrain in and around the nursery/plant center will give participants opportunities learn to recognize a growing list of common invasive plants, ways to slow their spread and identify native and wild plants for use in our gardens and to encourage/support in our wild landscapes. Participants should meet in the back parking area of Ross and Ross Nursery on Rt. 191 in Paradise Valley.

Hike donation is \$3 for BWA members, \$5 for non-members, to be collected at the start of the hike.

Hike registration recommended. Call the BWA office at 570-839-1120 or email info@brodheadwatershed.org

More information at www.brodheadwatershed.org

The Brodhead Watershed Association is a non-profit environmental organization formed in 1989. BWA is dedicated to protecting and preserving water resources and the environment of the Brodhead watershed and the water quality of the Brodhead, Cherry, Marshalls, McMichael, Paradise and Pocono creeks and their tributaries through educational programs and stream monitoring.
